THE NATIONAL
JUDICIAL COLLEGE

A leadership course designed just for judges.

The National Judicial College, in collaboration with Harvard Law School Executive Education, is proud to present the Judicial Executive Leadership Program. This groundbreaking initiative is specially designed for judicial leaders who are navigating the complexities of our rapidly evolving world, reshaped by technological advancements, societal shifts, and political dynamics. The program is committed to fostering foresight, ethical grounding, and innovative leadership within the judiciary.

This program offers a rigorous exploration of advanced leadership concepts, judicial ethics, strategic communication, and personal development, all viewed through the unique challenges and opportunities of the judiciary. It is structured as an intensive, immersive experience, utilizing a dynamic blend of interactive lectures, workshops, and case studies led by distinguished jurists, scholars, and leadership experts.

What is included in the fees?

Tuition includes all in-person materials and access to digital materials. In addition, an opening reception, lunches and two dinners are included.
